GFC MEDICAL PROTOCOLS

TREATMENT OF INJURIES

1. Only Players that are signed to GFC and regularly attend training sessions are eligible for treatment by the GFC Medical Staff and discounted treatment at Guernsey Therapy Group or with Dan Guillemette.
2. Players have a responsibility to inform the Medical staff of any injuries they have picked up.
3. Players who have injured themselves playing in 5 or 7 a side games or for a Priaulx side against the advice of the Medical or Coaching staff will not be eligible for treatment.
4. Players will be treated on the designated training night or prior to a Saturday home game unless agreed with Medical staff.
5. Players must keep the medical staff updated of progress of their injury
6. Persistent non attendance for arranged treatment or non compliance with treatment will lead to that player being discharged from treatment.
7. Not following medical advice is done so at the players own risk.
8. Following injury return to training and games with GFC and / or a Priaulx side must be with the permission and guidance of the Medical Team.
